

## 5. AGE GRADE DISCIPLINARY POLICY

---

Discipline is one of the core values of rugby. Doncaster RFC strives to ensure that rugby is a game of controlled physical endeavour and should be played in accordance with the World Rugby Laws of the Game.

The Club policy should be read in conjunction with the RFU guidance.

**Any matters arising from disciplinary meetings or regarding disciplinary issues should be referred to the Secretary in writing.**

To avoid any misunderstanding all matters involving discipline or misconduct by members will be dealt with by the Club officials in a manner either regulated, or advised, by the RFU within the disciplinary section.
