

3. PHOTOGRAPHY/IMAGES POLICY

The RFU wishes to ensure that photography and video footage use within rugby is undertaken appropriately and are committed to providing a safe and enjoyable environment for young people.

- Doncaster RFC has a policy relating to the use of cameras during our matches, training sessions and other club occasions.
- This includes the use of images of young people, on our website, in the media, in match reports and/or in club programmes or publications handbooks).
- Using Video as a coaching aid
